

Michael Panckridge

Author, Inspirational Speaker, Writing Workshops

Inspired by his passion for sport and desire to **get reluctant readers engaged in books**, primary and middle school teacher Michael Panckridge put his mind to finding out what it is kids want to read. Some years later he finds himself the author of over 40 books – his work ranging from the best selling Legends and Anniversary Legends series, the Toby Jones series, (a rich blend of cricket and fantasy), The League of Legends and Clued Up series, through to later novels - sinister and intriguing stories including The Cursed, The Vanishings The Immortal and the Book of Gabrielle. Not to be read at night! Michael has drawn on his experience in the school environment for his latest book called Be Bully Free. Co-authored with Cathie Thornton, it is a practical hands-on guide for individuals, families and schools. A four book Big Bash cricket series is sure to be a hit when it hits the shelves late 2016.

Michael is an entertaining, engaging and inspiring presenter. Ideally suited for **Years 3 – 7**, Michael will conduct general author talk sessions and writing workshops.

"He really inspired me the moment he started talking. I was like, wow!"
